PROBLEM STATEMENT

In today's competitive digital world, individuals lack a centralized, professional, and visually appealing platform to showcase their academic achievements, skills, and projects.
A digital portfolio is necessary to present personal and professional information effectively.

PROJECT OVERVIEW

The Digital Portfolio Website is a personal platform designed to highlight academic, technical, and creative skills.
It contains sections such as About Me, Education, Projects, Skills, Certifications, and Contact information.
The website is responsive, user-friendly, and customizable.

WHO ARE THE END USERS?

Students – Showcase academic achievements and skills

Job Seekers – Highlight projects and certifications

Professionals – Build an online personal brand

Recruiters/Employers – View candidate portfolios easily
